

Top 10 Hotels in the United States: Readers' Choice Awards 2016

Situated in the city's Old Dearborn Bank Building, Virgin Hotels Chicago has fast become our readers' favorite since it opened its doors in 2015. There are plenty of free amenities like Wi-Fi and well stocked Smeg mini-bars, but what makes this place really special is the innovative design of the rooms, where dressing areas and lounge-like bedrooms are separated by thick sliding doors—the perfect dividing line between sleeping and primping.

NAME	LOCATION	RANK ▲	SCORE
 Virgin Hotels Chicago	Chicago, Illinois, United States	#1	98.81
